

KARORI PIRATES TUESDAY NIGHT (NON-COMPETITIVE) SWIMMING

Information

Karori Pirates' Tuesday night swimming caters for swimmers who are beyond the learn to swim basis and who wish to improve their swimming and have fun. Please note that although we aim to improve techniques that have already been taught, we are not a learn-to-swim club.

There are three swimming sessions available, based on swimming ability:

- 6pm - 6.30 (Swimmer must be able to swim 1 length continuously) (2 lanes)
- 6.30 - 7.15 (Swimmers must be able to swim 5 lengths continuously) (4 Lanes)
- 7.15 - 8pm (Swimmers must be able to swim 10 lengths continuously) (4 lanes)

We have approximately 11-13 swimmers per lane, and each lane has a volunteer coach. Due to lane space limitations, places are limited.

Fees are \$70 per swimmer per term, and places are allocated on a first-paid-first-in basis. Swimmers are invoiced electronically once per term, usually around the end of the previous term/beginning of the new term. Fun Nights, consisting of races and a BBQ with sausages and chocolate fish are held on the last Tuesday of each term - starting at 6ish (or a bit later sometimes) and finishing approx. 7.30 - 8pm. There is no additional charge for the BBQ on these evenings, although if your child has special dietary requirements we will need to know in advance.

You are encouraged to come along as a parent spectator, although Karori Pool will still expect you to pay the \$1 pool spectator charge.

How to join

There are three simple steps

Step 1 - Contact the Club's coach, Steve Francis on karoripirates@xtra.co.nz to arrange a swimming time for your child to be assessed to see which session and lane they should be in.

Step 2 - When Steve has allocated you to a lane, he will email karori.pirates.tues.night@gmail.com to let the person know what lane and session your child is in. You will then be asked to provide your swimmer's full name, date of birth, address, email and phone contact details in order to confirm your child's place..

Step 3 - We will send you an invoice for the fees for the term.
